

Access Statement For Lancombes House, West Milton

Introduction

With two individually-designed cottages and the main Farmhouse, we aim to offer comfortable, well appointed accommodation for all visitors. The self-catering cottages are part of a 200 year old converted barn and farm buildings, arranged around a courtyard. In a rural environment, there are certain limitations to what we can provide. The following statement is a summary of our accommodation and facilities, but if you need any further information please give us a call.

Pre-Arrival

- Bridport is our nearest town and has good bus and coach services. However, West Milton is not well served by local bus services.
- The nearest railway stations are at Dorchester and Crewkerne. Both about 17 miles from us.
- Arrival by car is the most reliable option.
- We have a comprehensive website and full contact details are below.
- Shops and other services are available in Bridport - 3 miles from us.
- Our Guest Directory can be made available in large print, by prior arrangement.

Dorset County Council produces a good accessibility booklet, offering general information. It can be downloaded from their website:
