### CORONAVIRUS STATEMENT

The health and safety of our guests and staff are our primary concern at all times, but particularly so during this very difficult period. We constantly monitor government guidelines and instructions but until we are advised otherwise, we remain open for business. We wish to share the following information.

- Deep cleaning is an integral part of our standard procedures between bookings but particular attention is now given to all 'touchable' surfaces, with additional disinfectant use.
- Hand soap is available in every sink area.
- Each cottage has one hand sanitiser.
- Our local pub, the Marquis of Lorne will deliver high quality food to our door.
- All major supermarkets deliver to our site.
- We are in a remote rural location, 3 miles from the market town of Bridport. We are surrounded by 9 acres of our own green fields and fresh air.
- Our Visit Britain inspection was carried out on 19 March just before lockdown and we have retained our 4 star rating.
- We have achieved registration to the 'We're Good To Go' Covid-19 Industry Standard

We welcome any questions or observations regarding our policy, which we are regularly reviewing and updating as new information becomes available.
